Members should send their Membership number when taking advantage of any of these discounts. The Committee asks that members make maximum use of these offers so that the suppliers feel that their generosity to the Society is worthwhile commercially. We are actively investigating other opportunities to obtain product discounts for members.

Umpires Sort

Pete Brown of *The Assault Group* has been asked to umpire the Renaissance section of the 2008 World Championships at the University of Derby on 4th/5th October. They will be running a 28mm Renaissance period using the *WRG Gush* set (points and sub-periods to be decided later). He is seeking both volunteers to help him run the competition and entrants for the competition itself. He can be contacted directly by email at peteb@themouldmaker.com or via the Derby club at competition@worldwargames.co.uk
